Porcelain Stoneware - Gres Cerame Fin - Feinsteinzeug - Керамогранит

Le caratteristiche tecniche indicate nel catalogo di linea e nel Catalogo Generale, e in qualsiasi documento di promozione commerciale di Roncine s.p.a., hanno lo scopo di dare un'indicazione dei valori riscontrati nei vari punti di produzione e nelle varie fasi del prodotto, pertanto possono essere oggetto di contestazione.

(A) All technical features stated in the catalogues and in promotional documents of Roncine SpA are meant to be an indication of values recorded within a span determined by International (ISO) in several production units. Therefore a slight discrepancy in quality figures of a certain batch in relation to these figures cannot be considered a production fault.

(B) In addition to the general catalogues and to all the documents of promotional communication of Roncine SpA only the following indications are given:

The differences between the values indicated in the catalogues and those indicated at the time of delivery, as well as the differences in the characteristics of the products, are due to the different conditions in which the products are manufactured and do not constitute a defect.
